Personal information

First name(s) / Surname(s) **Fodor, László**

Address(es)

Telephone(s)

Fax(es)

E-mail

Nationality

Date of birth

Gender **Male**

Occupational field **Veterinary medicine,**

Work experience teaching and research in the field of microbiology and infectious diseases

Occupation or position held **Professor (1997-), Associate professor (1993-1997), Senior lecturer (1986-1993), Lecturer (1981-1986)**

Main activities and responsibilities **teaching and research in the field of microbiology and infectious diseases of animals**

Name and address of employer **1981- University of Veterinary Medicine, Budapest (between 2000 and 2016 Szent István University Faculty of Veterinary Science)
1979-1981 Phylaxia Biologicals Co. Budapest**

Education and training

Dates **1974-1979**

Title of qualification awarded **veterinary surgeon**

Name and type of organisation providing education and training **University of Veterinary Science Budapest**

Dates **1992**

Title of qualification awarded **PhD**

Name and type of organisation providing education and training **Hungarian Academy of Science**

Personal skills and competences

**Organising teaching programmes on Microbiology and Infectious diseases,
Teaching undergraduate and postgraduate students (Microbiology, Infectious diseases),
Teaching in postgraduate continuing education courses, giving lectures on Infectious diseases,
Organising and leading research projects,
Leading section, department, faculty,
Leading national and international professional organisations.**

Mother tongue(s) **Hungarian**

Additional information

Teaching activity:

Undergraduate education: Lectures and practicals on Microbiology, Bacteriology and Infectious diseases, supervisor of diploma works (31), supervisor of research activity of students (6)

Postgraduate education: supervisor of 8 PhD students (3 finished, 1 ongoing, 4 abrupt),

Continuing professional education: Lectures on infectious diseases.

Research:

Examination of the characteristics of several bacterium species (*Actinobacillus pleuropneumoniae*, *Campylobacter* spp., *Francisella tularensis*, *Histophilus somni*, *Mannheimia haemolytica*, *Bibersteinia trehalosi*, *Rhodococcus equi*, *Actinobacillus seminis* etc.),

Examination of the aetiology, epidemiology, pathogenesis, diagnosis, treatment, prevention and control of certain infectious diseases (actinobacillosis of swine, histophilosis of ruminants, Mannheimia infections of ruminants, *Rhodococcus equi* infections of horses, tularaemia, ornithobacteriosis etc.),

Research grants: project leader (18), project member (6),

Publications: 105 papers in peer reviewed journals (impact factor: 84.667; 858 independent citations), 68 congress abstracts, 8 book chapters.

Public activity:

Head of the Department of Microbiology and Infectious Diseases (1997-),

Vice Rector of the University of Veterinary Science Budapest (1997-1999),

Member (1999-), Vice President (2014-2020), Secretary (2021-2024) of the Veterinary Committee of the Hungarian Academy of Science,

Vice Dean of the Faculty of Veterinary Science, Szent Istvan University Budapest (2000-2004),

Dean of the Faculty of Veterinary Science, Szent Istvan University Budapest (2004-2012),

Member of the Supreme Forensic Committee of the Faculty of Veterinary Science, Szent István University (2004-2007),

President of the Hungarian Veterinary Association (2007-2013),

Member (2007-2013) and president (2013-2023) of the Veterinary Forensic Expert Committee,

Member (2008-2018) and chair (2018-) of the Auditing Committee of the Hungarian Society for Microbiology,

Member/chair of EAEVE expert teams for the evaluation of veterinary training at European universities (17 visitations, 2008-)

President of the Veterinary Network for Students' and Staff Transfer (2008-2010),

President of the European Association of Establishments for Veterinary Education, EAEVE (2010-2014),

Vice President (2012-2017) and President (2017-2022) of the Hungarian Society for Zoonoses,

Member of the Board of the Veterinary Doctoral Committee (2013-),

Member (2014-2017) and chair (2017-2020) of the Committee of Internal Quality Assurance of EAEVE,)

Peer of the Hungarian Veterinary Journal (1990-), Acta Veterinaria Hungarica (1992-), Canadian Journal of Veterinary Research (1999-), Veterinami Medicina (2002-), Polish Journal of Veterinary Sciences (2009-), Acta Microbiologica et Immunologica Hungarica (2012-), Veterinary Record (2013-),

Member of the editorial board of the Hungarian Veterinary Journal (2004-), Veterinami Medicina (2007-), Notulae Scientia Biologicae (2010-), Veterinary Sciences (2013-), Acta Microbiologica et Immunologica Hungarica (2015-), Acta Veterinaria Hungarica (2017-).

Awards:

Research Award of the Hungarian Academy of Science (1983), Award of the Hungarian Association of Microbiologists (1990), Award of the Dr. Márkus György Foundation (1993), Széchenyi Professorial Scholarship (1997), Köves Award (2007), Hőgyes-Aujeszky Award (2010), Doctor Honoris Causa of the Banat University, Timisoara, Romania (2010), Gold Medal of the Szent Istvan University (2012), Knight of Cross from the Order of Merit of Hungary (2014), Rezső Manninger Award (2017).
