## WORK EXPERIENCE

2024-present

**Associate Professor**

Faculty of Animal Science and Biotechnologies (UASVM Cluj-Napoca)

Responsibilities

Teaching, learning, development of materials intended for students (courses and seminars support), research and publishing activities, guidance for the development of bachelor's theses, extracurricular activities.

2021 - 2024

**Associate Teaching Staff (UASVM Cluj-Napoca)**

Disciplines: Pig Breeding Technology (Animal Science); Principles of biosecurity (AB&W) Pig meat production systems (MCAA Master); Animal behavior & welfare (EHAI Master); Zoonotic risk management in human-animal interactions (EHAI Master)

2021 - 2024

**Administrator**

Faculty of Animal Science and Biotechnologies (UASVM Cluj-Napoca)

2018

**Honoris Causa Professor**

UASVM Cluj-Napoca

2012-2020

**General Manager/Administrator**

PIC Central and Central Europe – Genus Plc. UK

2006-2012

**General Manager**

PIC Romania

2000-2005

**Technical Manager**

PIC Romania

2000-2003

**Associate Professor**

University of Agricultural Sciences and Veterinary Medicine of Cluj-Napoca, Romania, Manastur Street, 3-5, Cluj Napoca, Romania, 400372, [www.usamvcluj.ro](http://www.usamvcluj.ro)

1995-2000

**Lecturer**

University of Agricultural Sciences and Veterinary Medicine of Cluj-Napoca, Romania, Manastur Street, 3-5, Cluj Napoca, Romania, 400372, [www.usamvcluj.ro](http://www.usamvcluj.ro)

1991-1995

**Assistant Professor**

University of Agricultural Sciences and Veterinary Medicine of Cluj-Napoca, Romania, Manastur Street, 3-5, Cluj Napoca, Romania, 400372, [www.usamvcluj.ro](http://www.usamvcluj.ro)

1989-1990

**Farm Manager**

Agro-zootechnical Farm, Sâncrai Agricultural State Enterprise, Târgu Mureș, Romania

## EDUCATION AND TRAINING

- 2026 UASVM Cluj Napoca's decision to assimilate within IOSUD in the field of Animal Husbandry
- 2025 The MEC decision on obtaining the permit
- 2024 Post-graduate course on African Swine Fever organized by FAO Virtual learning Centers for Europe and Central Asia accredited VetCEE 0.5 ECTS credits - April 18  
2023 – May 10, 2024, Certificate Code 1388764647IL
- 2023 Postgraduate course psycho-pedagogical studies Levels I and II, Department for Teaching Staff Training (DPPD), USAMV Cluj Napoca.
- 2020 The Wellfarmers GAP-101134117 project within the European Commission Horizon 2020 program, the coordinator from UASVM as a partner in the consortium.
- 2013 The future of pig production in Romania - Government policy options 2020 – Wageningen University, Netherlands – Project coordinator from the Association of Romanian Pork Producers
- 2007 Presidential Commission - National strategy for agriculture - member of the drafting team of the chapter on the strategy for the development of the pork production sector in the capacity of President of APCPR
- 2003 Agricultural Business Management Course Ashridge University, UK
- 2000 "Management Certificate" as a result of the "Fast Track MBA" postgraduate course organized by Belmont University, Nashville, USA
- 2000 The training course "Participatory training techniques" organized by Agenda Management Training and Development Programmes, Stoneleigh, Warwickshire, Great Britain
- 1998 TEMPUS-funded internship in the Department of Embryonic Developmental Biology of the University of York, Great Britain, in the field of in vitro fertilization in bovine and murine species, as well as university management
- 1998 PhD in Animal Science, USAMV Bucharest, 1998 - Specialization "Animal Reproduction"
- 1995 Internship in the field of production, preservation and marketing of sperm material at the warehousing facility, Kintbury, Great Britain
- 1995 Training course in pig production and reproduction management funded by Pig Improvement Company, Oxfordshire, UK
- 1993 Postgraduate Course in Bovine Embryo Transfer at Somerset Cattle Breeding Centre, Ilminster, UK
- 1993 Theoretical - practical course in the field of dairy farm management and artificial insemination in cattle at Friend International, Barnstaple, North Devon, Great Britain
- 1993 Practical course of in vitro fertilization in pigs at the University of Bristol, Great Britain Faculty of Animal Science from Cluj-Napoca, 1989 graduation

Participation in national and international research-development projects / programs

Horizon Project - Wellfarmers GAP-101134117 within the Horizon 2020 program of the European Commission, project coordinator UASVM Cluj Napoca - partner in the consortium. Value: 100,000 Euros; 2024-2026 – Project director

Project EUBA-EFSA-2024-BIOHAW-01, with the title Pathway to animal welfare quantitative risk assessment: piloting a harmonized collection of welfare data in pigs; UASVM Cluj Napoca project coordinator - partner in the consortium. Value: 52100 Euros; 2025-2027 – Project director

ADER project no. 10.1.1/ 2024 – Research on the development of immunoprophylactic and biocidal products, usable in the control of African swine fever and epidemiological risk factors in Romania – UASVM Cluj-Napoca team member; Project manager from the Faculty of Animal Science and Biotechnologies; Value=9,300,000 lei = 1,868,596 Euros – UASVM Cluj Napoca team member

ADER Project 7.2.3 / 2024 – Obtaining lines for the conservation of pig breeds from the national heritage, Mangalița and Bazna – UASVM Cluj-Napoca team member; Value=337,500 lei = 67,812 Euros - Team member

Humane Society International Project - Europe\_Belgium (beneficiary)\_Scientific research contract (2024) The legislative and organizational situation regarding the conditions in commercial and non-commercial pig farms in Romania, from the perspective of animal welfare conditions\_Value 11,136 Euro - Team member

Institutional project: Modernization of Hoia educational infrastructure, stage 2021. Project value: 30,383,938 lei - Responsible for stage implementation

Project - The Future of Pork Production in Romania - Government Policy Options 2020 - Wageningen University, Netherlands. Value 60,000 Euros – Project coordinator from the Romanian Pork Producers Association - 2017

The Project of the Presidential Commission - National strategy for agriculture - member of the drafting team of the chapter on the strategy for the development of the pork production sector in the capacity of President of APCPR - 2015

CNCSIS grant type A- no. 1058/2000, theme: "Cytogenetic studies on oocytes and embryos cultured in vitro; Value: 34000000 Role - Team member

CNCSIS grant type A, no. 33533/1999- 2001, theme "In vitro production and cryopreservation of the genetic background of the Suinae species"; Value: 41150000 Role/ 14585 Euro – Project Director

CNCSIS grant type A, no. 126/1999, the topic "Research on the reproductive function in pullets and heavy breed parent hens"; Value: 11150000 Role – Team member

CNCSU grant type A, no. 18/1998, theme "Research on precocity of the reproductive function in pullets and hens"; Value: 20000000 Role – Team member

Membership of scientific and professional societies and associations

EAAP – European Federation of Animal Science – member

The Romanian Society of Animal Husbandry - Pig committee;

AGIR – General Association of Romanian Engineers

Romanian Pork Producers Association - Vice-president

OIPA "Carne de porc" - President

Carcass Classification Commission – President (interim)

MADR PS PAC Monitoring Committee 2023-2027 - Member

UECBV – l'Union Européenne du Commerce du Bétail et des Métiers de la Viande – member of the Board of Directors from Romania;

Copa Cogeca – Member of the Civil Dialogue Group of the European Commission – Pork

Advisory Council of ANSVSA - member from APCPR.

PRO AGRO National Federation – Member of the Board of Directors

## Guest speaker at scientific and professional events

The conference with the theme: Applications of molecular genetics in pigs: from the farm to the classrooms - organized under the auspices of the Faculty of Animal Science and Biotechnologies in collaboration with the business environment, March 27, 2025, Red Amphitheater, UASVM Cluj Napoca - organizer

International Swine Day conference, edition V, October 19-20, 2024 organized by the Association of Swine Veterinarians (AMVS) – Theme: New beginnings, new challenges – guest speaker;

Meat.Milk International Conference, XII edition, May 29-30, 2023, Poiana Brașov – guest speaker;

Swine Day International Conference, IV edition, October 21-22, 2023 organized by the Association of Swine Veterinarians (AMVS) – Theme: The future of the pig breeding industry in Romania – guest speaker;

The workshop with the theme: Human resources in pork production - organized under the auspices of the Faculty of Animal Science and Biotechnology in collaboration with the business environment, March 16, 2023, Red Amphitheater, UASVM Cluj Napoca - organizer

The "Swine Day" international conference, V edition, October 28-29, 2022 organized by the Association of Swine Veterinarians (AMVS) - Theme: "Swine industry in Romania - To be or not to be? - guest speaker

FAO Conference – Regional African swine fever online forum - Romanian pig farm biosecurity in view of ASF, March 17, 2022 - invited speaker

Transylvania Food Summit Conference - The impact of African swine fever in Romania, December 8-9, 2021, Cluj-Napoca - guest speaker

The seminar "Entrepreneurship and human resource in raising pigs in Transylvania; Production of pork in Romania: where are we today", Faculty of Animal Science and Biotechnology, Cluj Napoca, January 13, 2017; - invited speaker

Seminar "Romanian raised pig"; The current context of the pig sector in Romania; Bucharest, Organizer: Agointelligence, October 27, 2017; Bucharest - guest speaker

The impact of genetics in pork production - Meat and Milk International Conference, Brașov, May 11, 2015 - invited speaker

The Romanian pig: where? Meat and Milk International Conference, Sibiu, June 11, 2014; - guest speaker

China Economic Forum – Central and Eastern Europe; Opportunities and perspectives of the development of pork production in Romania, Bucharest, Palace of the Parliament, November 26, 2014; - guest speaker

INDUSTRIA CARNII.RO Integrated Seminar, 4th edition with the theme Reinventing the meat industry from A to Z, 2014, Bucharest. - invited speaker

Projects and challenges in pork production - Meat and Milk Conference, Brașov, June 27, 2013; - guest speaker
